

APPLE TREE DAY NURSERY

PARKING POLICY

The Head of City of Portsmouth Boys School, Mr Smith, has allocated 6 drop-off spaces next to Apple Tree Day Nursery.

We also have drop-off points at the front and back of the Nursery. Whilst you are in the School's grounds I strongly ask you to take care and drive at a very slow speed as the school boys will be going into school around the same time as you will be dropping off your child/children.

Please therefore take care when pulling into and out of the school/nursery grounds.
